United States Patent Application
COMBINED DECLARATION AND POWER OF ATTORNEY

As a below-named inventor I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I verify below I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are named below) of the subject matter which is claimed and for which a patent is sought on the invention entitled Fluid Charging Mechanism for Balloon Catheter System the specification of which:

a. is attached hereto.
 b. was filed on February 19, 2004 as United States Application No. 10/712,652 or PCT International Application No. _____ and was amended on _____ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(1) or (3), or 365(e) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT International application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT application having a filing date before that of the application on which priority is claimed:

a. no such applications have been filed.
 b. such applications have been filed as follows:

| | | | <input type="checkbox"/> Yes <input type="checkbox"/> No | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| | | | <input type="checkbox"/> Yes <input type="checkbox"/> No | <input type="checkbox"/> Yes <input type="checkbox"/> No |

I hereby claim the benefit under 35 U.S.C. 120, or 365(e), of my United States and PCT International application(s) listed below and, insofar as the subject matter of each of the claims of this application is not

§ 1.16 Duty of disclosure; fraud, drafting or translation of specifications.
 (2) A duty of candor and good faith toward the Patent and Trademark Office rests on the inventor, as such inventor or agent who prepares or presents the application and on every other individual who is substantively involved in the preparation or presentation of the application and who is associated with the inventor, w/ (a) the assignee or with anyone to whom there is an obligation to assign the application. All such individuals have a duty to disclose to the Office information they are aware of which is material to the examination of the application. Such information is material where there is substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent. The duty is commensurate with the degree of involvement in the preparation or presentation of the application.
